2020 International is "an International Association of independent accounting and consulting firms dedicated to providing their clients with outstanding service wherever they wish to do business".

Many 2020 Members have requested to be part of an international organisation and we are delighted to announce that we now intend to offer you this service.

Membership of 2020 International is on a strictly limited basis. Firms are accepted exclusively by geographical area and once accepted by the network, firms will then be given the chance to approve other firms near to them.

By completing this application form, firms are requesting to enter the network and are not guaranteed to be accepted. Firms will be informed whether their application has been successful in due course.
